Fredericksburg/Rappahannock Chapter

DONATION POLICY

May 1, 2018

All donations to The Fredericksburg- Rappahannock Chapter are greatly appreciated and will be used for objectives that are within the charter of the Chapter. Monetary donations or designated material donations for a specific Chapter project or cause will be used only to fund and complete that project or cause. Any monetary donations received for any fundraiser, held by, hosted, sponsored, or associated with the Fredericksburg-Rappahannock Chapter, will be considered available for use on any Board approved fund or project. Funds received will be held in an account to be allocated appropriately by the Board. This is to ensure that the intent of the designated donation is fulfilled.

The use of any designated monetary funds donated for a project must be approved by the Board of Directors. This is to ensure that the nature of the donation is compatible with the purpose of the project. Designated funds will be held and not used until this has been confirmed with the donor. If the donation is not approved for the purpose by the donor and no other use is acceptable the donated funds will be returned to the donor. However, if the donor will allow his or her donation to be directed to a specific project use.

Upon receiving an agreement by the Board of Directors, "approval" shall be given by the chapter president. Any physical materials donated will be greatly appreciated and accepted if appropriate for the accomplishment of a project. Any ancillary expenses or costs to get the project completed can come from project funds, donations & or general account funds.
