**SAFETY, FIRST - LAST ---- ALWAYS**

**EMERGENCY PROCEDURES 9/15/2014**

The following steps are standard operating procedure (SOP) for any emergency that might develop on the ranges:

1. CALL 911, use the phone located inside the Green Phone Box to the right side of the clubhouse door. The phone is a landline phone that is connected to the telephone network and will work.
2. COMMUNICATE to the 911 dispatcher, Identify YOURSELF, YOUR LOCATION and the NATURE OF THE EMERGENCY. The entrance/gate address is Izaak Walton League, 12400 Herndon Road, Spotsylvania & is between Brock Road at one end and Old Plank Road on the other end.
3. LOCK OPEN THE AUTOMATIC GATE (a rocker switch on the bottom of the large control box on the left side of the gate hinge locks the gate in the open position after it is commanded open and stops); leave a person familiar with the emergency and its exact location at the gate to serve as a guide for the First Responders.
4. RENDER FIRST AID to the best of your knowledge and ability. Invest in a first aid kit for personal use and learn how to use its contents.
5. TAKE NOTES. If anyone is standing around ask them to gather information as to Date, Time, Location, Weather condition, Who involved and What happened. Get names of any witnesses. A recording feature from your Smart phone can be valuable if you know how to use it.
6. REPORT INCIDENT ASAP TO RANGE MANAGEMENT: Jamie Branham 540.333.2749 or Larry (Sandy) Stanford 540.972.1806
